### Professor Challenges Lunatic-Prohibition in Nanaimo, BC

June 10<sup>th</sup>, 2011

Rob Wager

The Daily News

[ Nanaimo, British Columbia ]

Selected and adapted excerpts

UNIVERSITY PROFESSOR says NO SCIENCE SUPPORTS PROHIBITION.

The PROHIBITION on pest control products used in the Urban Landscape in the City of Nanaimo is being CHALLENGED as SCIENTIFICALLY UNFOUNDED by Vancouver Island UNIVERSITY PROFESSOR ROB WAGER.

The NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION took effect April 1<sup>st</sup>, 2011.

## Speaking Out Against

Nanaimo PROHIBITION came in response to LYING–WAILING from NANCY FALCONER, a NON–EXPERT CANCER–LUNATIC–TERRORIST AND PAID–FOR–PROFIT–LOBBYIST with Canadian–Cancer–Society, and other Environmental–Terrorist–Organizations, that CONCOCTED stories of environmental damage and ALLEGED risk of cancer from using pest control products that are HEALTH–CANADA–APPROVED and SCIENTIFICALLY SAFE.

PROFESSOR ROB WAGER, whose background is in CHEMISTRY and MICROBIOLOGY, said NO SCIENCE SUPPORTS the city's creation of a list of banned and allowed substances.

PROFESSOR WAGER said he OPPOSES a blanket PROHIBITION, but when he spoke to the Enviro–Lunatic–Infested Committee in charge of writing the city's PROHIBITION by–law, his advice was predictably ignored.

According to PROFESSOR ROB WAGER —

*<< They did not understand the science. I have a huge problem with blanket bans on anything synthetic, and, at the same time, allowing natural pesticides that have far greater environmental impact. Like anything political, facts are only part of the equation. What I take exception to is where the facts are disregarded altogether. >>*

To measure a pest control product's toxicity, scientists use a complex formula to compare the substance and how it is used to get its environmental impact quotient or EIQ rating — a higher EIQ means more toxic.

The selective control products 2,4–D has an EIQ rating of 18. Glyphosate, Roundup's active ingredient is 15, and common soap is 19.5. Pyrethrin, an insecticide made from chrysanthemums, is 37. Sulphur has an IEQ of 45.

**What have YOU done in the war against  
Lunatic-Environmental-Terrorism ?!?!?!**

At least ONE MALICIOUS ACT  
of Lunatic-Environmental-Terror  
Is Perpetrated EVERY SINGLE DAY

# NORAHG

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed. This is what we do. Don't thank us. It's a public service. And we are glad to do it.

HUJE are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Lunatic Culprit is a misguided adversary, each still deserves our respect. The use of the terms Lunatic, Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Lunatic Activists accountable for conspiring to change public polides that TERRORIZE, HARM, and THREATEN the Green Space Industry.

HUJE is a term used to describe Enviro Lunatic Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with conventional pest control products. HUJE also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT conventional pest control products that are HEALTH CANADA APPROVED, FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

HUJE have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Lunatic Culprit Terrorist Basterd HUJE is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.

This Report provides NO guarantee regarding accuracy or completeness. In no event shall Force Of Nature be liable for any incidental or consequential damages, lost profits, or any indirect damages. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release.

Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his colleagues. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in environmental compliance, government negotiations, public affairs, and workplace safety. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole and his colleagues have followed the evolution of LUNATIC ENVIRONMENTAL TERRORISM for over a quarter century. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of the VERMIN OF ENVIRONMENTAL TERROR for the entire Modern Green Space Industry across Canada. Their involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec.

Today, Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status that endures to this day. He is also the creator of the signs that are now used for posting after application. He and his colleagues are recognized as THE MAJOR INFLUENCE for the decision by Canadian Cancer Society to STOP selling for profit PESTICIDE-TREATED DAFODILS. Mr. Gathercole's vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully ! Mr. Gathercole is now retired, although his name continues to appear as FOUNDER of Force Of Nature.
