GARBAGE DUMP

CARNAGE **Leading To** **GARBAGE DUMP** **Thoroughfares** **in City of Nanaimo**

The GROWING PROLIFERATION OF UN-SIGHTLY WEEDS in cracks in the centre medians of the city's thoroughfares this summer LIKELY HAS LITTLE TO DO WITH THE CITY'S BAN on many toxic pesticides. [?!?!]

Statement from Anti-Pesticide Government Official
The Daily News
Nanaimo, British Columbia
July 14th, 2012

CARNAGE Leading To **GARBAGE DUMP** Thoroughfares

Nanaimo's Government Official Is Truth-Challenged

Thoroughfares, like streets and roads, are transportation routes connecting one location to another.

Because of Nanaimo's Anti-Pesticide PROHIBITION, THOROUGHFARES LOOK LIKE GARBAGE DUMPS.

Not surprisingly, Nanaimo's TRUTH-CHALLENGED Anti-Pesticide Government Officials LIE and LIE and LIE and LIE.

They attempt to DECEIVE THE PUBLIC by FALSELY ALLEGING that their PESTICIDE BAN is somehow NOT responsible for UGLY WEEDS GROWING IN ROAD CRACKS.

According to Anti-Pesticide Councillor Jim Kipp —

The GROWING PROLIFERATION OF UNSIGHTLY WEEDS in cracks in the centre medians of the city's thoroughfares this summer LIKELY HAS LITTLE TO DO WITH THE CITY'S BAN on many toxic pesticides.

CARNAGE Leading To **GARBAGE DUMP** Thoroughfares

Integrated Pest Management Is A Dismal Failure

In 1994, Nanaimo decreed that care for all city-owned properties must be done in accordance with Integrated Pest Management (IPM).

It is now common knowledge that Integrated Pest Management is a **DISMAL FAILURE**.

Integrated Pest Management is promoted by people who **FALSELY ALLEGE SUCCESS**, and who are likely concocting **LIES, MISCONCEPTIONS, AND DECEPTIONS** for their own nefarious personal interests, such as **VALIDATING PESTICIDE BANS**.

It is **IMPOSSIBLE** for Nanaimo to keep its thoroughfares **WEED-FREE** by using IPM.

It is also **IMPOSSIBLE** for Nanaimo to keep their properties playable and beautiful by using IPM.

CARNAGE Leading To GARBAGE DUMP Thoroughfares

Pesticide Bans Mean Weed Invasion

Nonetheless, Anti-Pesticide Councillor Kipp FALSELY ALLEGES that the WEEDS THAT ARE GROWING THROUGH THE CONCRETE AND ASPHALT on Nanaimo's streets and roads is PROBABLY NOT CONNECTED TO THE PESTICIDE BAN.

According to Anti-Pesticide Councillor Jim Kipp —

It's been a pretty prolific year for weeds and other plants so far and I expect our workers are behind schedule and likely just haven't got to dealing with all of them yet.

Kipp cannot possibly be brought to admit that Nanaimo's Anti-Pesticide PROHIBITION is leading to GARBAGE DUMP thoroughfares and green spaces.

It is now accepted as a fact that Anti-Pesticide PROHIBITION leads to the PROBLEM OF WEED INVASION.

Because of the Anti-Pesticide PROHIBITION, Municipal Employees have had to resort to the BACK-BREAKING and AGONIZING JOB of WEED PULLING BY HAND USING HOES AND SCRAPERS !

Consequently, Municipal Employees have been DEVALORIZED into a group of mere WEED-PICKING NIGGARS.

prohibition carnage

Garbage Dump Green Spaces and Thoroughfares

Anti-Pesticide PROHIBITION DESTROYED Public and Residential Green Spaces by Turning Them Into GARBAGE DUMPS.

PESTICIDE BANS Cause Hazardous Slipping Conditions In Sports Turf, and Children Become SERIOUSLY HURT.

PESTICIDE BANS result in CATASTROPHIC CARNAGE caused by BAN FAILURES, BUSINESS FAILURES, GARBAGE DUMP GREEN SPACES, STUNNINGLY EXORBITANT COSTS, HORRIFIC FINES, and even ILLNESS and DEATH.

PESTICIDE BANS destroy public and residential green spaces by turning them into GARBAGE DUMPS.

Streets and roads are also INVADED BY URBAN WEEDS.

PESTICIDE-FREE GREEN SPACES AND THOROUGHFARES ARE DANGEROUS and EXPENSIVE GARBAGE DUMPS.

Summary of CATASTROPHIC CARNAGE caused by GARBAGE DUMP GREEN SPACES ...

- Children At High Risk of Tripping and Becoming Seriously Hurt
- Dandelions the Dominant Ground Cover
- Dead Mature Street Trees
- Hazardous Slipping Conditions In Sports Turf
- Lawns Decimated by Insects like White Grubs
- Lawns in Entire Neighborhoods Ruined by Pests
- Stunningly Expensive Pesticide-Free Maintenance
- Parks Infested With Weeds
- Rose Plantations Dying and Removed by Cities

PESTICIDE BANS Place Children AT RISK !

Pest control products are SCIENTIFICALLY-SAFE, CAUSE NO HARM, and are NO THREAT TO CHILDREN.

In fact, WITH PESTICIDE BANS, children are actually AT HIGH RISK of TRIPPING and becoming SERIOUSLY HURT.

PESTICIDE BANS create HAZARDOUS SLIPPING CONDITIONS in sports turf.

WITH PESTICIDE BANS, CHILDREN are actually AT HIGH RISK OF TRIPPING and becoming SERIOUSLY HURT.

Using pest control products PREVENT SLIPPING INJURIES on sports turf.

CHILDREN need WEED-FREE sports turf, like baseball mounds and runs, TO AVOID TRIPPING AND HURTING THEMSELVES.

Without conventional pest control products, sports turf becomes THIN AND YELLOW, and OVER-RUN WITH WEEDS and INFESTED WITH INSECTS, resulting in the DISMAL DESTRUCTION OF PLAYING SURFACES.

Pest control products are SCIENTIFICALLY SAFE, and will NOT CAUSE HARM TO CHILDREN AND ADULTS, ANIMALS OR THE ENVIRONMENT.

The safety assessments of pest control products by Pest Management Regulatory Agency of Health Canada (PMRA) DO take children into consideration.

These assessments DO consider children's physiology, behaviours, and habits while playing on treated grass.

Moreover, there are NO valid reports of pest control product problems with children.

In fact, MEDICATION is the leading cause of poisoning in children.

Furthermore, THE PUBLIC REJECTS PROHIBITION.

A recent POLL conducted by Canadian Consumer Specialty Products Association (CCSPA) showed that the VAST MAJORITY of residents in British Columbia are OPPOSED to the PROHIBITION against the use of conventional pest control products, and they actually FAVOUR the continued use of these products around their homes and in public green spaces.

Additionally, according to another recent Ontario poll, MORE THAN HALF of Ontario residents believe that the provincial government DID NOT DO THE RIGHT THING by implementing Anti-Pesticide PROHIBITION.

Ontario residents WOULD RATHER HAVE THE BAN SCRAPPED OR MODIFIED.

WHO WANTS THIS #@!!% BAN NONSENSE !?!

The ONLY people who want to IMPOSE PESTICIDE BANS are a SMALL GROUP OF ACTIVISTS with VESTED INTERESTS IN CONCOCTING IMAGINARY DANGER against pest control products.

FORCE OF NATURE | THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from
National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG)

N O R A H H G

We are living in the 9|11 Era of Anti Pesticide Terrorism where at least ONE SUBVERSIVE ACT OF TERROR is Perpetrated EVERY SINGLE DAY by enviro lunatics.

We are living in the DARK AGE OF ANTI PESTICIDE TERRORISM where sound science is trumped by FAKE SCIENTISTS, JUNK SCIENCE and UNVERIFIABLE SECRET EVIDENCE through FABRICATION, INNUENDO, and INTERNET RUMOUR — scientific research PROVES that pest control products CAUSE NO HARM and can be USED SAFELY.

NORAHG is the National Organization Responding Against HUJE that seek to harm the Green space industry.

NORAHG morally represents the VAST SILENT MAJORITY of people associated with turf and ornamental plant maintenance who are OPPOSED to Anti Pesticide PROHIBITION and the CLOSURE of green spaces under the RIDICULOUS PRETEXT of somehow « saving » the environment.

NORAHG is a NATIONAL NON PROFIT NON PARTISAN organization that does not accept money from corporations or governments or trade associations, and represents NO VESTED INTERESTS WHATSOEVER.

NORAHG is dedicated to reporting the work of RESPECTED and HIGHLY RATED EXPERTS who promote ENVIRONMENTAL REALISM and PESTICIDE TRUTHS.

Anti Pesticide HUJE are enviro lunatics and lawn haters who particularly DESPISE the golf industry — they are Hateful Underhanded Jokes as Environmentalists who have been WRONG FOR OVER 50 YEARS.

There is NO RECOURSE but LITIGATION against Anti Pesticide HUJE.

Another RECOURSE is to SEEK the CANCELLATION of GOVERNMENT GRANTS and REVOCATION of the TAX EXEMPT STATUS of Anti Pesticide Organizations.

HUJE should Get OFF Our grASS, and they should Roast In Hell.

NORAHG manages the Library of Force Of Nature Reports and References, which is a VAST ARCHIVE of REPORTS, MEDIA REFERENCES, AUDIO CLIPS, and VIDEOS on ALL Anti Pesticide Terrorist Acts of Subversion.

The purpose of this ARCHIVE is to provide information that will lead to a SUCCESSFUL LITIGATION AGAINST Anti-Pesticide Organizations.

All names, statements, activities, and affiliations have been ARCHIVED for the intention of eventual CRIMINAL CHARGES.

When CRIMINAL CHARGES for FRAUD and CONSPIRACY are laid, legal experts say that the ARCHIVE is sufficient to lead to a SUCCESSFUL PROSECUTION !

NORAHG also produces FORCE OF NATURE, reports that present THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE about environmental issues, including anti pesticide terrorism.

FORCE OF NATURE is a series of reports destined for the green space industry, the environmental terrorist movement, governments, and the media, nationwide across Canada, the United States, and overseas.

FORCE OF NATURE is committed to SOUND SCIENCE, as well as ground breaking original reporting that informs, entertains, and creates real change.

The information presented in FORCE OF NATURE has been developed for the education and entertainment of the reader by providing a sequence of events WITH COMMENTARY, striving for accuracy in history, politics, and science.

FORCE OF NATURE is TOTALLY INDEPENDENT and provides NO guarantee regarding accuracy or completeness. In no event shall FORCE OF NATURE be liable for any incidental or consequential damages, lost profits, or any indirect damages.

NORAHG also produces A LOOK AT, a series of reports providing TECHNICAL INFORMATION on issues such as Career Management, Golf Course Maintenance, Green Alternatives, Summer Stress, Turfgrass Pests, and Turfgrass Species.

Finally, NORAHG frequently responds to anti pesticide activists in LETTERS TO THE EDITOR in newspapers across Canada and around the world.

All information, excerpts, and pictures contained in FORCE OF NATURE, A LOOK AT, and LETTERS TO THE EDITOR were retrieved from the Internet, and may be considered in the public domain.

FORCE OF NATURE, A LOOK AT, and their various incarnations, was the brainchild of William H. Gathercole and his colleagues in 1991. Mr. Gathercole is now retired, although his name continues to appear as founder.

Here is a brief summary of Mr. Gathercole's career —

Fields of study — Horticulture/Agriculture, Mathematics, Physics

Alma mater — McGill University • University of Guelph • the first person ever to obtain university degrees and contribute to both the professional lawn care and golf maintenance industries

Expertise in — environmental issues and anti pesticide terrorism • turf and ornamental maintenance and troubleshooting • history of the industry • sales and distribution of seeds, chemicals, fertilizers, and equipment • fertilizer manufacturing and distribution

Notable activities — worked in virtually all aspects of the green space industry, including golf, professional lawn care, distribution, environmental compliance, government negotiations, public affairs, and workplace safety • supervisor, consultant, and, programmer for the successful execution of hundreds of thousands of management operations in the golf and urban landscape, as well as millions of pest control applications • advisor, instructor, and trainer for thousands of turf and ornamental managers and technicians • pesticide certification instructor for thousands of industry workers • founder of the modern professional lawn care industry • prolific writer for industry publications and e-newsletters • first to confirm the invasion of European Chafer insect in both the Montreal region and the Vancouver / Fraser Valley region • with Dr. Peter Dernoeden, confirmed the presence of Take All Patch as a disease of turf in Eastern Canada • with Dr. David Shetlar, confirmed the presence of Kentucky Bluegrass Scale as an insect pest in South Western Ontario, and later, in the Montreal and Vancouver regions

Special contributions — creator of the exception status that has allowed the golf industry to avoid being subjected to anti pesticide prohibition • creator of the signs that are now used for posting after application • co-founder of annual winter convention for Quebec golf course superintendents • the major influence in the decision by Canadian Cancer Society to stop selling for profit pesticide treated daffodils • the only true reliable witness of the events of anti pesticide prohibition in the town of Hudson, Quebec • retired founder of FORCE OF NATURE and A LOOK AT reports

Notable award — the very first man of the year for contributions leading to the successful founding of Quebec professional lawn care industry, which served as a beach-head against anti pesticide activists in the 1980s and 1990s

Legacy — Mr. Gathercole and his colleagues ... designed and implemented strategies that reined anti pesticide activists to provide peace and prosperity for the entire modern green space industry across Canada • orchestrated legal action against anti pesticide activists in the town of Hudson, Quebec • launched the largest founding professional lawn care business in Canada • quadrupled the business revenues of one of the largest suppliers in Canada

Mr. Gathercole is now retired, although his name continues to appear as founder of FORCE OF NATURE and A LOOK AT reports.
