GARBAGE DUMMIE

In the City of Regina, Saskatchewan ...

Regina is the capital city of the Canadian Province of Saskatchewan with a population of less than 200,000.

It is the second-largest city in the province (after Saskatoon), as well as a cultural and commercial centre for Southern Saskatchewan.

Regina has an abundance of parks and recreational spaces — all of its trees — some 300,000 — as well as shrubs and other plants, were hand-planted.

As in other cities on the Canadian Prairies, American Elms were planted in front yards in residential neighbourhoods and on boulevards along major traffic arteries, making them the dominant species in the urban forest.

On March 1st, 2012, Regina's Anti-Pesticide Environment Advisory Committee (EAC) voted to work on a recommendation for NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION, first by the municipality on its own green spaces, and then, city-wide for private individuals.

On June 4th, 2012, City of Regina DROPPED the proposal for Anti-Pesticide PROHIBITION, just as it did in 2002.

The city's Anti-Pesticide Environment Advisory Committee heard from business owners worried about how PROHIBITION would affect the local Professional Lawn Care Industry.

It is now common knowledge that PESTICIDE BANS result in CATASTROPHIC CARNAGE caused by BUSINESS FAILURES, GARBAGE DUMP GREEN SPACES, STUNNINGLY EXORBITANT COSTS, HORRIFIC FINES, and even ILLNESS and DEATH.

Moreover, PROHIBITION is NOT SUPPORTED by health and policy experts, and is NOT SUPPORTED by local residents.

Since 2010, Regina instituted a LIMITED PESTICIDE BAN on three parks by designating them as PESTICIDE-FREE — they became GARBAGE DUMPS.

Because of the LUNATIC BAN on three parks, Reginans LOST PART OF THEIR GREEN SPACES, and Reginans will be forced to pay the EXORBITANT COST of ENTIRELY RE-SODDING at least two parks.

Anti-Pesticide PROHIBITION Destroyed Public and Residential Green Spaces by Turning Them Into GARBAGE DUMPS

Pesticide Bans result in Catastrophic CARNAGE caused by BAN FAILURES, BUSINESS FAILURES, GARBAGE DUMP GREEN SPACES, and STUNNINGLY EXORBITANT COSTS.

Pesticide Bans Destroy Public and Residential Green Spaces by Turning Them Into GARBAGE DUMPS.

Summary of CATASTROPHIC CARNAGE Caused by GARBAGE DUMP GREEN SPACES ...

- Dandelions the Dominant Ground Cover
- Dead Mature Street Trees
- Lawns Decimated by Insects
- Lawns in Entire Neighborhoods Ruined by Pests
- Parks Infested With Weeds
- Rose Plantations Dying and Removed by Cities

prohibition carnage

PESTICIDE BANS create HAZARDOUS SLIPPING CONDITIONS in sports turf.

In fact, WITH PESTICIDE BANS, children are actually AT HIGH RISK of TRIPPING and becoming SERIOUSLY HURT.

Pest control products PREVENT slipping injuries on sports turf.

Children need WEED-FREE BASEBALL MOUNDS AND RUNS to avoid TRIPPING and HURTING THEMSELVES.

Without conventional pest control products, playing surfaces become THIN AND YELLOW, and OVER-RUN WITH WEEDS and INFESTED WITH INSECTS, resulting in the DISMAL DESTRUCTION OF TURF PLAYING SURFACES.

N O R A H G

We are living in the 9|11 Era of Anti Pesticide Terrorism where at least ONE SUBVERSIVE ACT OF TERROR is Perpetrated EVERY SINGLE DAY by enviro lunatics.

We are living in the DARK AGE OF ANTI PESTICIDE TERRORISM where sound science is trumped by FAKE SCIENTISTS, JUNK SCIENCE and UNVERIFIABLE SECRET EVIDENCE through FABRICATION, INNUENDO, and INTERNET RUMOUR — scientific research PROVES that pest control products CAUSE NO HARM and can be USED SAFELY.

NORAHG is the National Organization Responding Against HUJE that seek to harm the Green space industry.

NORAHG morally represents the VAST SILENT MAJORITY of people associated with turf and ornamental plant maintenance who are OPPOSED to Anti Pesticide PROHIBITION and the CLOSURE of green spaces under the RIDICULOUS PRETEXT of somehow « saving » the environment.

NORAHG is a NATIONAL NON PROFIT NON PARTISAN organization that does not accept money from corporations or governments or trade associations, and represents NO VESTED INTERESTS WHATSOEVER.

NORAHG is dedicated to reporting the work of RESPECTED and HIGHLY RATED EXPERTS who promote ENVIRONMENTAL REALISM and PESTICIDE TRUTHS.

Anti Pesticide HUJE are enviro lunatics and lawn haters who particularly DESPISE the golf industry — they are Hateful Underhanded Jokes as Environmentalists who have been WRONG FOR OVER 50 YEARS.

There is NO RECOURSE but LITIGATION against Anti Pesticide HUJE.

Another RECOURSE is to SEEK the CANCELLATION of GOVERNMENT GRANTS and REVOCATION of the TAX EXEMPT STATUS of Anti Pesticide Organizations.

HUJE should Get OFF Our grASS, and they should Roast In Hell.

NORAHG manages the Library of Force Of Nature Reports and References, which is a VAST ARCHIVE of REPORTS, MEDIA REFERENCES, AUDIO CLIPS, and VIDEOS on ALL Anti Pesticide Terrorist Acts of Subversion.

The purpose of this ARCHIVE is to provide information that will lead to a SUCCESSFUL LITIGATION AGAINST Anti-Pesticide Organizations.

All names, statements, activities, and affiliations have been ARCHIVED for the intention of eventual CRIMINAL CHARGES.

When CRIMINAL CHARGES for FRAUD and CONSPIRACY are laid, legal experts say that the ARCHIVE is sufficient to lead to a SUCCESSFUL PROSECUTION !

NORAHG also produces FORCE OF NATURE, reports that present THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE about environmental issues, including anti pesticide terrorism.

FORCE OF NATURE is a series of reports destined for the green space industry, the environmental terrorist movement, governments, and the media, nationwide across Canada, the United States, and overseas.

FORCE OF NATURE is committed to SOUND SCIENCE, as well as ground breaking original reporting that informs, entertains, and creates real change.

The information presented in FORCE OF NATURE has been developed for the education and entertainment of the reader by providing a sequence of events WITH COMMENTARY, striving for accuracy in history, politics, and science.

FORCE OF NATURE is TOTALLY INDEPENDENT and provides NO guarantee regarding accuracy or completeness. In no event shall FORCE OF NATURE be liable for any incidental or consequential damages, lost profits, or any indirect damages.

NORAHG also produces A LOOK AT, a series of reports providing TECHNICAL INFORMATION on issues such as Career Management, Golf Course Maintenance, Green Alternatives, Summer Stress, Turfgrass Pests, and Turfgrass Species.

Finally, NORAHG frequently responds to anti pesticide activists in LETTERS TO THE EDITOR in newspapers across Canada and around the world.

All information, excerpts, and pictures contained in FORCE OF NATURE, A LOOK AT, and LETTERS TO THE EDITOR were retrieved from the Internet, and may be considered in the public domain.

FORCE OF NATURE, A LOOK AT, and their various incarnations, was the brainchild of William H. Gathercole and his colleagues in 1991. Mr. Gathercole is now retired, although his name continues to appear as founder.

Here is a brief summary of Mr. Gathercole's career —

Fields of study — Horticulture/Agriculture, Mathematics, Physics

Alma mater — McGill University • University of Guelph • the first person ever to obtain university degrees and contribute to both the professional lawn care and golf maintenance industries

Expertise in — environmental issues and anti pesticide terrorism • turf and ornamental maintenance and troubleshooting • history of the industry • sales and distribution of seeds, chemicals, fertilizers, and equipment • fertilizer manufacturing and distribution

Notable activities — worked in virtually all aspects of the green space industry, including golf, professional lawn care, distribution, environmental compliance, government negotiations, public affairs, and workplace safety • supervisor, consultant, and, programmer for the successful execution of hundreds of thousands of management operations in the golf and urban landscape, as well as millions of pest control applications • advisor, instructor, and trainer for thousands of turf and ornamental managers and technicians • pesticide certification instructor for thousands of industry workers • founder of the modern professional lawn care industry • prolific writer for industry publications and e-newsletters • first to confirm the invasion of European Chafer insect in both the Montreal region and the Vancouver / Fraser Valley region • with Dr. Peter Dernoeden, confirmed the presence of Take All Patch as a disease of turf in Eastern Canada • with Dr. David Shetlar, confirmed the presence of Kentucky Bluegrass Scale as an insect pest in South Western Ontario, and later, in the Montreal and Vancouver regions

Special contributions — creator of the exception status that has allowed the golf industry to avoid being subjected to anti pesticide prohibition • creator of the signs that are now used for posting after application • co-founder of annual winter convention for Quebec golf course superintendents • the major influence in the decision by Canadian Cancer Society to stop selling for profit pesticide treated daffodils • the only true reliable witness of the events of anti pesticide prohibition in the town of Hudson, Quebec • retired founder of FORCE OF NATURE and A LOOK AT reports

Notable award — the very first man of the year for contributions leading to the successful founding of Quebec professional lawn care industry, which served as a beach-head against anti pesticide activists in the 1980s and 1990s

Legacy — Mr. Gathercole and his colleagues ... designed and implemented strategies that reined anti pesticide activists to provide peace and prosperity for the entire modern green space industry across Canada • orchestrated legal action against anti pesticide activists in the town of Hudson, Quebec • launched the largest founding professional lawn care business in Canada • quadrupled the business revenues of one of the largest suppliers in Canada

Mr. Gathercole is now retired, although his name continues to appear as founder of FORCE OF NATURE and A LOOK AT reports.
