The DESTRUCTION of the Professional Lawn Care Industry by LUNATIC-TERRORIST-PROHIBITION

European Chafer DEVASTATING Pesticide-Free Lawns

February 10th, 2011

The Vancouver Sun

Selected and adapted excerpts

European Chafer insects have invaded Vancouver, British Columbia, and the lawns have been DEVASTATED.

At least ONE-THIRD OF ALL LAWNS have been BADLY DAMAGED.

European Chafer insects are RUINING lawns all over Vancouver.

Crows, gophers, and skunks further damage the lawns while they graze for these insects — lawns look like a ROTO-TILLER has been at work.

The European Chafer invasion has created an ECOLOGICAL DISASTER in Urban Landscapes throughout many regions in North America since the 1940s.

Enviro

The DESTRUCTION of the Professional Lawn Care Industry by LUNATIC-TERRORIST-PROHIBITION

British Columbia Ministry of Agriculture — Instrument of Enviro-Lunatic Mis-Information

Tracy Hueppelsheuser, a less-than-competent Entomologist with British Columbia Ministry of Agriculture, has alleged that nature produces a natural fungal entomo-pathogen — a soil-borne bacteria that attacks and kills the chafer grubs.

« We are cautiously optimistic that things will calm down after a few years and nature will start to restore the balance. » [?!?!]

This allegation is TOTAL IDIOTIC NONSENSE.

History has shown that there will be NO abatement of the European Chafer.

Hueppelsheuser should have bothered to take the time to examine the situation in Eastern Canada and the United States since the 1940s.

carnage

Enviro

The DESTRUCTION of the Professional Lawn Care Industry by LUNATIC-TERRORIST-PROHIBITION

The History of the European Chafer

In 1940, in the State of New York, the European Chafer was officially identified as a turfgrass pest.

It was accidentally introduced from the Orient and Europe.

Forty years later, in 1980, it reached the Niagara Peninsula in South-Western Ontario.

Its rampage continued across the Greater Toronto Area throughout the 1980s and 1990s.

In 1997, William H. Gathercole first reported its spread in Montreal, Quebec.

By 2001, this insect had also spread across several states of the North-Eastern U.S.

In 2001, Mr. Gathercole also first identified the insect in the Pacific North-West, in New Westminster, British Columbia, while local experts and entomologists were somehow baffled about an insect pest that had created a well-documented ECOLOGICAL DISASTER in Urban Landscapes throughout Eastern North America.

Additionally, Mr. Gathercole exhaustively investigated the introduction of this pest into British Columbia and Quebec.

In both cases, the European Chafer was imported by contaminated sod products originating from grower locations in the Province of Ontario.

Lunatic-Terrorist-Prohibition

DESTROYED

the Professional Lawn Care Industry

Lunatic-Prohibition in the Province of Ontario

On April 22nd, 2009, the Government of **Ontario** implemented legislation for the NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION against pest control products used by the Modern Professional Lawn Care Industry.

An Exception Status was provided to industries like golf, sports fields, specialty turf, forestry, and agriculture — these industries employed THE VERY SAME pest control products otherwise PROHIBITED for the Modern Professional Lawn Care Industry.

The legislation was implemented despite the fact that the PROHIBITED pest control products were still FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE.

Moreover, there were serious issues with the Ontario Minister of the Environment, **John Gerretsen**, who was responsible for implementing PROHIBITION.

Gerretsen was INDISCREET with his CLOSE PUBLIC ASSOCIATIONS with RADICAL and SUBVERSIVE Lunatic-Prohibition-Terrorists.

We are living in the 9/11 Era of Environmental Terror !

HORRENDOUS CARNAGE in Ontario Caused by Lunatic-Prohibition

The DEVASTATION of the Professional Lawn Care Industry was EXTENSIVE because there were NO valid economical alternatives to replace the prohibited products.

VIRTUALLY ALL Green Alternatives were almost TOTALLY INEFFECTIVE, except under very specific circumstances.

The Green Alternatives were BOGUS.

The Green Alternatives did NOT adequately control **WEED PESTS**.

The Green Alternatives did NOT adequately control **INSECT PESTS**.

They were DISMAL FAILURES.

Consequently, Professional Lawn Care Companies were UNABLE to provide adequate weed and insect control, and were UNABLE to keep their customers satisfied.

LOSS OF REVENUES in Ontario Caused by Lunatic-Prohibition

In 2009, the Ontario Professional Lawn Care Industry **LOST REVENUES** over 300,000,000 DOLLARS.

In 2010, losses reached over 500,000,000 DOLLARS.

CUSTOMER LOSSES in Ontario Caused by Lunatic-Prohibition

By 2010, 40 to 70 per cent of Professional Lawn Care customers were ANNIHILATED, depending upon the type of company and its location.

We are living in the 9/11 Era of Environmental Terror !

UNEMPLOYMENT in Ontario Caused by Lunatic-Prohibition

By 2009, OVER 5,000 HAPLESS VICTIMS were **UNEMPLOYED** (full time employees and summer students).

Because of the Lunatic-Terrorist-Prohibition, Professional Lawn Care businesses were forced to **TERMINATE** many or most of their employees.

By 2010, 8,300 to 12,500 were **UNEMPLOYED**.

BUSINESS FAILURES in Ontario Caused by Lunatic-Prohibition

Because of Lunatic-Terrorist-Prohibition, Professional Lawn Care businesses, which at one time provided a good living and some equity for eventual sale for retirement, became **WORTHLESS** !

Because of Lunatic-Terrorist-Prohibition, many multi-vehicle Professional Lawn Care businesses were forced to **DOWN-SIZE** their operations to a single truck.

Because of Lunatic-Terrorist-Prohibition, by 2010, there was a **GLUT OF USED-EQUIPMENT-FOR-SALE** because of the **DOWN-SIZING** and **EXODUS** of Professional Lawn Care businesses.

Because of Lunatic-Terrorist-Prohibition, several dozen companies were forced to exit from the market.

Because of Lunatic-Terrorist-Prohibition, Professional Lawn Care businesses were simply **ABANDONED**.

Within 36 months after the implementation of **PROHIBITION**, observers expected 780 **BUSINESS FAILURES** or **BANKRUPTCIES**.

Because of Lunatic-Terrorist-Prohibition, no one was able to buy or sell a Professional Lawn Care business !

Lunatic-Terrorist-Prohibition **DESTROYED** the Modern Professional Lawn Care Industry.

We are living in the 9/11 Era of Environmental Terror !

Lunatic-Terrorist-Prohibition Led To DANGEROUS PLAYING SURFACES

Lunatic-Prohibition
Created GARBAGE DUMPS
and DANGEROUS SURFACES

In jurisdictions where Lunatic-Terrorist-Prohibition was imposed, home lawns, public green spaces and sports fields became WEED-INFESTED and INSECT-INFESTED.

They became OVER-RUN by Dandelions and other weed pests, and were DESTROYED by damaging insect pests like European Chafer.

THE PROHIBITION OF PEST CONTROL PRODUCTS REPRESENTED A HAZARD TO ANYONE USING THESE PLAYING SURFACES, ESPECIALLY CHILDREN.

When it rained, pest-infested playing surfaces were SLIPPERY MUD BOGS.

When dry, pest-infested playing surfaces were AS HARD AS CONCRETE.

Pest-infested playing surfaces not only looked like GARBAGE DUMPS, they were also DANGEROUS — ESPECIALLY TO CHILDREN !

We are living in the 9/11 Era of Environmental Terror !

Lunatic-Terrorist-Prohibition DEVASTATED Quebec Companies

CARNAGE Caused by Lunatic-Prohibition
in the Province of Quebec

PROHIBITION against pest control products in **Quebec** was legislated BEFORE Ontario, and provided observers with valuable facts about the LEVEL OF CARNAGE to expect elsewhere.

Since 2006, Quebec Lunatic-Prohibition was DEVASTATING to the Professional Lawn Care Industry — OVER 60 per cent of the Professional Lawn Care Industry was ANNIHILATED !

Lunatics Had NO Recognized Expertise in Pest Control Products

LUNATIC-TERRORISTS DID NOT KNOW WHAT THEY WERE TALKING ABOUT !

Lunatic-Prohibition-Terrorists assured Government Officials that the effects of PROHIBITION would be positive.

Not a single lunatic had ANY recognized expertise, training or background in matters concerning pest control products.

The opinions of lunatics in matters concerning pest control products were TOTALLY VALUELESS and UTTERLY WORTHLESS.

Prohibition-Terrorism in British Columbia

British Columbia Consultation

In the August 25th 2009 Speech from the Throne, the Government of **British Columbia** committed to consult British Columbians on —

« *new statutory protections to further safeguard the environment from cosmetic chemical pesticides* »

So-called ENVIRO-TERROR-ALLIANCES were CONCOCTED by Lunatic-Prohibition-Terrorists to SUBVERT the consultation process.

These ENVIRO-TERROR-ALLIANCES CONSPIRED TO PRE-TENTIOUSLY PROHIBIT conventional pest control products that are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

In many cases, the LEADER of these ENVIRO-TERROR-ALLIANCES is The Puppet-Master himself, **David Suzuki**.

Suzuki is the fund-raiser for **David Suzuki Foundation**, seeking members and donations for his own organization.

Neither Suzuki, nor ANY of his co-conspirators, has ANY recognized expertise, training, or background, in matters concerning pest control products or the Green Space Industry.

The Suzuki ENVIRO-TERROR-ALLIANCES are actually SHIELD organizations.

Reasons SHIELD Organizations

Prohibition-Terrorist-Organizations have often used SHIELDS, which are also called UMBRELLAS or FRONT GROUPS or ALLIANCES or COALITIONS.

SHIELDS have been set up and controlled by one or several PARENT ORGANIZATIONS to become part of larger ENVIRO-TERROR-ALLIANCES.

SHIELDS can perform acts of FRAUD, CONSPIRACY, and SUBVERSION without the actions being attributed to the PARENT ORGANIZATIONS, and SHIELDS may provide some limited protection from legal liability for the PARENT ORGANIZATIONS.

Lunatic-Prohibition-Terrorist-Organizations That
CONSPIRE to PROHIBIT
Pest Control Products
in the Province
of British Columbia

Prohibition-Terrorism in British Columbia

More Reasons for SHIELD Organizations

SHIELDS have also been set up for the following reasons —

- For collecting MILLIONS OF DOLLARS in memberships and donations for the PROFIT of GREEDY RADICAL Prohibition-Terrorist-Organizations.
- For concealing the views of supposedly moderate professionals, such as Enviro-Lunatic-Health-Care-Workers, in an attempt to mask their SUBVERSIVE LUNATIC views, hence DISCRETELY satisfying their cravings as a POWER-HUNGRY, AVARICIOUS, UNSCRUPULOUS, DEPRAVED ENVIRO-LUNATIC PSEUDO INTELLIGENTSIA.
- For ensuring that the non-profit tax status of the PARENT ORGANIZATIONS is not jeopardized by their SUBVERSIVE LUNATIC activities.
- For giving everyone the FALSE and FRAUDULENT impression that the Environmental-Terror-Movement has considerable size and power, when in fact, it DOES NOT.
- For giving the public the FALSE and FRAUDULENT impression that there is grass-roots support for SUBVERSIVE LUNATIC public policies.

Subversive Lunatic Prohibition-Terrorist-Organizations Operating in British Columbia

Directly or indirectly, previously or currently, the following Prohibition-Terrorist-Organizations control, operate, and/or support the CONSPIRACY to PROHIBIT pest control products that are otherwise FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE —

- Canadian Association of Physicians for the Environment (CAPE)
- Canadian Cancer Society (CCS) — BC and Yukon Division
- Canadian Coalition for Health and Environment (CCHE)
- David Suzuki Foundation

Prohibition-Terrorism in British Columbia

- Ecojustice Canada
- Environmental Defence
- Learning Disabilities Association of Canada (LDAC)
- New Democratic Party of British Columbia
(the political shield for the Environmental-Terror-Movement)
- North Columbia Environmental Society
- Ontario College of Family Physicians (OCFP)
- Pesticide Free BC
- Pesticide Free Columbia Basin Coalition
(Formerly Pesticide Free Columbia Valley Coalition)
- Prevent Cancer Now
- Sierra Club of Canada
- Sunshine Coast Clean Air Society
- Toxic Free Canada
(the public affairs shield for Labour Environmental Alliance Society, LEAS)
- West Coast Environmental Law (WCEL)
- Western Canada Wilderness Committee
- Wildsight.

Prohibition-Terrorists Operating Lunatic Organizations

NOT A SINGLE Lunatic-Prohibition-Terrorist has ANY recognized expertise, training, or background, in matters concerning pest control products.

Consequently, Lunatic-Prohibition-Terrorists compensate for their lack of expertise by resorting to MYTHS, DECEPTIONS, MISCONCEPTIONS, FEAR-MONGERING, FRAUDULENT LIES, TERROR, COERCION, THREATS, and PARANOID CONSPIRACIES about pest control products.

Overall, Prohibition-Terrorist-Organizations are composed primarily of NON-PROFESSIONAL and IGNORANT Enviro-

Prohibition-Terrorism in British Columbia

Lunatic-Activists with the cravings of a POWER-HUNGRY, AVARICIOUS, UNSCRUPULOUS, DEPRAVED PSEUDO INTEL-LIGENTSIA.

Despite the seemingly large number of organizations that CONSPIRE to PROHIBIT pest control products, these Prohibition-Terrorist-Organizations are operated by a mere dozen or so Enviro-Lunatic-Activists who are mostly BORED and OUT-OF-CONTROL HOUSE-WIVES, and UNEMPLOYED or UNEMPLOYABLE social outcasts.

Contemptible Tactics of Lunatic Organizations

Prohibition-Terrorist-Organizations concoct MYTHS, DECEPTIONS, FEAR-MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, TERROR, and PARANOID CONSPIRACIES to SCAM and DECEIVE the public into believing there is some NON-EXISTENT danger with conventional pest control products.

Prohibition-Terrorist-Organizations also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION of conventional pest control products that are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

Prohibition-Terrorist-Organizations give the FRAUDULENT and FALSE impression that the public is being exposed some IMAGINARY DANGER whenever a pest control product is used in the Urban Landscape. [Wrong !]

Are Lunatic Organizations More Knowledgeable Than Health Canada ?!?!?

NO ! Prohibition-Terrorist-Organizations conveniently consider the hundreds of qualified scientists of Health Canada's respected Pest Management Regulatory Agency to be incompetent and/or incapable of arriving at correct scientific findings concerning conventional pest control products.

In order to allow SOUND SCIENCE to be effectively practiced, it would be preferable leave the interpretation of scientific research to those people who ARE competent to do it — Health Canada, and NOT Prohibition-Terrorist-Organizations.

Prohibition-Terrorism in British Columbia

NO pest control product can be sold or used until Health Canada's scientists have evaluated ALL the existing evidence to determine whether the product meets stringent health and safety requirements.

Conventional pest control products are SCIENTIFICALLY SAFE since they have been scrutinized and approved by the HUNDREDS of expert scientists at Health Canada.

Overall, when they are used properly, there are NO harmful irreversible effects to health and the environment.

Integrated Environmental
Plant Management Association
of Western Canada

The **Integrated Environmental Plant Management Association of Western Canada (IEPMA)**, in conjunction with its membership, has been VERY decisive regarding the CONSPIRACY to PROHIBIT pest control products in British Columbia.

After all, conventional pest control products are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

The Integrated Environmental Plant Management Association has correctly recognized that this is a BEACH-HEAD in the FIGHT FOR VICTORY against the TERRORIST CONSPIRACY to PROHIBIT pest control products in British Columbia.

Stopping the CARNAGE

In January 2010, the Green Space Industry outlined the list of CHARGES against the Government of Ontario and the Ministry of the Environment — the legal proceedings were organized by Jeffrey P. Lowes and M-REP Communications.

Additionally, members of Prohibition-Terrorist-Organizations also faced CHARGES under the Canadian Criminal Code.

By August 2010, M-REP Communications commenced CIVIL ACTION to recover the HORRENDOUS LOSSES caused by PROHIBITION-TERRORISTS.

NORAHG

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed. Don't thank us. It's a public service. And we are glad to do it.

HUJE are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Lunatic Culprit is a misguided adversary, each still deserves our respect. The use of the terms Lunatic, Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Lunatic Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry.

HUJE is a term used to describe Enviro Lunatic Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with conventional pest control products. HUJE also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT conventional pest control products that are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

HUJE have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Lunatic Culprit Terrorist Basterd HUJE is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.

This Report provides NO guarantee regarding accuracy or completeness. In no event shall Force Of Nature be liable for any incidental or consequential damages, lost profits, or any indirect damages. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release.

Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his colleagues. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in environmental compliance, government negotiations, public affairs, and workplace safety. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole and his colleagues have followed the evolution of LUNATIC ENVIRONMENTAL TERRORISM for over a quarter century. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of the VERMIN OF ENVIRONMENTAL TERROR for the entire Modern Green Space Industry across Canada. Their involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec.

Today, Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status that endures to this day. He is also the creator of the signs that are now used for posting after application. His vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully! Mr. Gathercole is now retired, although his name continues to appear as FOUNDER of Force Of Nature.
